ESOY once again provided financial support for the Punkin Chunkin competition held at West York Middle School on November 4th.

The idea is that participants build some kind of machine, usually a catapult or a trebuchet, capable of launching pumpkins at 25, 45, and 65 meter targets. The winners of the contest were decided by the lowest overall distance from their pumpkins to the targets.

Hanover, Dover, West York, Dallastown, York County School of Technology, Spring Grove, Central York, Red Lion, and York Suburban all participated.
