Many thanks to York College for hosting the February ESOY/ PSPE joint meeting. The meeting was highlighted by a presentation by Harry Zumbrun, president of Morehouse Instrument Company, on force calibration. The meeting was well-attended by both Societies as well as by a number of York College engineering students. A catered dinner followed.

Our Next Meeting

Tour of Miller Chemical Monday, March 20th

Conewago Township Manufacturer Miller Chemical's plant was in ruins following the June 8, 2015 fire that emergency services personnel called one of the worst fires in Adams County history. The few portions of the plant not destroyed in the fire were subsequently demolished for safety reasons.

Before cleanup was even complete, the Miller engineers and manufacturing people were already working on getting their plant rebuilt, and rebuild it they have.

Join ESOY for a discussion on the fire/rebuild as well as a tour of their new state-of-the-art facility.

Location: Miller Chemical
120 Radio Rd.
Hanover, Pennsylvania 17331

Time: 5:30

Dinner to follow at Bourbon Bar and Grill
Choice of full rack of ribs, NY strip steak, or Bourbon salmon

Cost: \$20 for members, \$25 for guests
