THE ENGINEERING
SOCIETY OF YORK
Established 1910

The September joint ESOY/PSPE meeting included a comprehensive presentation on the new York Academy Upper School being constructed on the site of the former Pensupreme Dairy. The presentation included York Academy students, the design team, and the construction managers. Over 30 people enjoyed the presentation as well as the dinner that followed at Coomb's Tavern.

Society News

5th Annual York County Punkin' Chunkin' Championships

ESoy, through the Edgar Kable fund, will once again be providing financial support for the Punkin' Chunkin' Championships taking place November 3rd at West York High School. Last years' event included 12 teams from 9 different York County schools. Students design and construct a device to launch a medium-size pumpkin so as to hit three different targets that are placed anywhere from 15 to 75 meters away. Distance from the targets are measured and the three launches are averaged. The team with the closest average wins.
