THE ENGINEERING
SOCIETY OF YORK
Established 1910

Thanks to York College for hosting the February joint ESOY/PSPE meeting at the Wilman Center. York College students made an excellent presentation on the making of a radio telescope. A buffet dinner followed.

Our Next Meeting—Tour of RHI Magnesita

March 25, 2019, 5:15 pm

Plan to join your fellow ESOY members for a tour of RHI Magnesita. We will touring both the quarry and the refractory kilns.

Please meet in the paved parking lot in front of the visitor building. From Route 30 west, turn north onto Baker Road (at the Sheetz). Cross over two sets of railroad tracks, and then take the first left into the employee parking lot, about 0.4 miles from Rt. 30.

All visitors must wear sturdy boots. Bring your own hard hat, safety glasses, and hi-viz safety vest. A small number of PPE sets will be available, but please bring you own if possible.

The plant will be providing vans for our drive to the quarry area, so space will be limited.

In order to properly plan the transportation, please RSVP to Andy Zmoda at azmoda@gtaeng.com no later than March 15, 2019, and state if you need PPE.

Dinner will follow at White Rose Bar and Grille with a limited menu specially selected for us to enjoy.

Cost:

Members -\$20

Guests - \$25

New Corporate Member

We are happy to announce that JE Good Consulting Engineers has joined as a corporate member.

JE Good Consulting Engineer's portfolio includes projects in the industrial, manufacturing, campus infrastructure, municipal, healthcare, commercial, federal, wastewater, and roadway lighting market sectors.
