<i>Sustaining Members</i>	4

Welcome to the 2019/2020 year of the Engineering Society of York. We are moving towards our 110<sup>th</sup> year! I am please to continue my second term (4<sup>th</sup> year) as President of this honorable Society.

This year we welcome Greg Gromicko of POWER Engineers, Inc., as our newest Board member. Greg will replace Jim Norton, who recently vacated the position. Jim has been an ESOY member since 1997, and served on the Board for 21 years. He has been an important influence on the direction of the Society. Thank you, Jim.

We have another exciting member meeting line-up this year, starting with our joint meeting in September with PSPE, where ESOY will host a visit to the new UPMC Memorial Hospital. A new joint venture with the York Chapter of the Society of Manufacturing Engineers will host us in October at Precision Custom Components. After our annual winter Oyster Feed, March will bring a typically fascinating program at York College, then we move into the Larry Moore Memorial Golf Outing in May. Look at the calendar of events below for additional details for the monthly events.

A record number of applications for our annual student scholarships were reviewed by our Scholarship committee this past spring, and our newest awardees are (I'm sure) well into their Calculus books by now. Good luck to them! Be sure to encourage senior high school students from York County that are planning to enroll in an engineering program to apply for this remarkable scholarship opportunity next Spring.

Our membership grew last year, and we are hoping for the same this year. Corporate members are always encouraged to join, so talk to your firms' officer or marketing person and let them know about our group. The 5\$ student membership is a bargain for a professional society membership, so encourage interested students to participate. Membership forms and benefits can be found at [www.tesoy.org](http://www.tesoy.org)

Thank you for your continued support, and I'll see you at the next meeting.  
--Andy

## ***UPMC Pinnacle Memorial Hospital Tour***

Joint meeting with PSPE

Please join your fellow ESOY and Pennsylvania Society of Professional Engineer (PSPE) members for the first member meeting of our 2019/2020 program year on Monday, September 16, 2019, at 5:30pm. The September meeting will be a joint meeting between ESOY and PSPE where we will tour the new UPMC Memorial Hospital project at 1710 Innovation Drive, York, PA 17408.

Our tour will focus on the Central Utility Plant serving the new hospital and the major mechanical and electrical equipment rooms that make up the new Central Utility Plant. Mr. Timothy Moffa, System Manager Facilities for UPMC Memorial, will lead the tour.

Please respond to Jim Gleba, [jgleba@leachwallace.com](mailto:jgleba@leachwallace.com), no later than Thursday, September 12, 2019, for your attendance at the tour and dinner afterwards. Dinner will follow at the White Rose Bar and Grille with a limited menu specially selected for us.

### **AGENDA**

5:30 - 6:30 - Tour

7:00 - Dinner at White Rose

### **LOCATION**

UPMC Pinnacle Memorial Hospital  
1701 Innovation Drive  
York, PA 17408

### **DINNER**

White Rose Bar and Grille  
Limited Menu  
Cash Bar

### **COST**

ESOY members - \$20  
Everyone else - \$25

**RSVP by Sept 12 to [jgleba@leachwallace.com](mailto:jgleba@leachwallace.com)**

## **Society News**

### **2019/2020 Dues**

Your 2019/2020 dues renewal form has been emailed along with this newsletter.

Please return immediately so as to not miss any of this year's exciting programs. If there are no changes to your membership information, you are welcome to simply send a check to the society's PO box.

Please also consider a Corporate Membership as our society would not be able to function without the support of those outstanding companies.

On June 21st, the Engineering Society of York once again held its annual scholarship celebration at Sovereign Bank Stadium in conjunction with Engineering Night at the Revolution. A banquet was held in the Monarch Room with a check presentation ceremony taking place on the field as part of the pre-game festivities.
