THE ENGINEERING
SOCIETY OF YORK
Established 1910

We enjoyed a very interesting tour of the Kinsley Fabrication facility in York, PA in November. Kinsley's Steel Division specializes in structural steel design, engineering, detailing, fabrication, erection, and retrofit of existing structural members for clients across the mid-Atlantic region. Their team is AISC and PCI Certified, and is a PennDOT Bulletin 15 fabricator. They take pride in our ability to provide clients with a full range of structural steel services through our four shops in Pennsylvania and Virginia where we fabricate over 60,000 tons of structural steel each year.

Tour of Yorktowne Hotel

Built in 1925 in the Renaissance Revival style, the 11-story Yorktowne Hotel was designed and constructed to be the cornerstone of hospitality in downtown York during a time of significant growth for the city. The hotel's success warranted several expansions through the 1950's. And over the following decades, The Yorktowne would undergo several renovations but eventually fall victim to deferred maintenance and neglect. In 2016, concerned about the worsening condition of the building and the underutilization of space, the York County Industrial Development Authority (YCIDA), which champions redevelopment projects in York County, purchased the hotel to restore it to its former glory and boost the city's revitalization efforts.

Currently under construction, the highly anticipated and re-envisioned Yorktowne will reopen in 2022 under the Tapestry Collection by Hilton brand. When complete, it will have a new grand entrance, 123 modernized guest rooms, a rooftop event space, a full-service restaurant and café, an improved lobby area, and a completely restored grand ballroom. Join us in March for a tour of the project.

Start: 5:00 PM

Address: 48 E Market St, York, PA 17401

Due to the ongoing restrictions associated with gatherings and COVID-19, registration will be capped at a total of 25 people for this event. While this event is FREE to all members and guests, we will NOT be gathering for our social event after the meeting and dinner will NOT be offered.

Remember to bring your mask and observe social distancing recommendations at all times.

Parking is available at the Market Street garage.

Meet under the Yorktowne canopy.

No heels or open-toed shoes.

Please RSVP by close of business Friday, November 19 to jwagner@kinsleyconstruction.com
