THE ENGINEERING
SOCIETY OF YORK
Established 1910

For our October meeting, we took a tour of the future home of Knowledge Park at York College. After the tour, we enjoyed a presentation about the history of the Schmidt & Ault Paper Company and the future of Knowledge Park. Huge thanks to York College for hosting the event and providing refreshments!

Our Next Function**Monday, November 22, 2021*****Tour of Brillhart Pumping Station***

Join us for a tour of York Water Company's Brillhart Pumping Station! This tour will review York's raw water sources, preliminary water quality monitoring and treatment along with pumping systems. The Brillhart Pumping Station has been in continuous service for 125 years. The station was upgraded with new electrical power and controls this year and 3 new pumps have been installed. We will also view the historic 1925 Worthington Horizontal Cross-Compound Steam Pumping Engine.

Hearing protection is required. A light dinner will be provided.

Cost: \$10 Member, \$15 Guest

Address: 2325 Croll School Rd, York, PA 17403

Time: 5:00 PM

Attendance will be limited to 25 people.

Please RSVP by COB 11/19 to stevem@yorkwater.com.

Society News

2021 / 2022 Dues

Your 2021/2022 membership renewal form is available at [this link](#). Please return with dues as soon as possible so as to not miss any of this year's exciting programs!

Director Transition

Gregory Gromicko has vacated his seat on the Board of Directors and Steve Metzler has been voted in to fill his seat. Thank you both for your service to the society!
