THE ENGINEERING
SOCIETY OF YORK
Established 1910

Our March event took place at York College Engineering Program's first ever Order of the Engineer Induction Ceremony.

The Order is not a membership organization; there are never any meetings to attend or dues to pay. Instead, the Order fosters a unity of purpose and the honoring of one's pledge lifelong. The Obligation (<https://order-of-the-engineer.org/about-the-order/obligation/>) is a creed similar to the oath attributed to Hippocrates (460-377 B.C.) that is generally taken by medical graduates and which sets forth an ethical code. The Obligation likewise, contains parts of the Canon of Ethics of major engineering societies. Initiates, as they accept it voluntarily, pledge to uphold the standards and dignity of the engineering profession and to serve humanity by making the best use of Earth's precious wealth. More about the Order's history can be found at <https://order-of-the-engineer.org/about-the-order/history/>.

Tour of Intertek

Monday, April 18, 2022

Join us for a tour of Intertek's York facility on Monday, April 18th!

Intertek's York, PA building and construction testing laboratory is equipped with over 1,000 linear feet of test space and is one of the industry's greatest mock up pre construction testing facilities. With indoor and outdoor testing capabilities, no project is too big or too small for them.

Please bring a hard hat and safety glasses if you have your own. No photos are allowed while on-site.

Schedule:

11:25 AM - 11:30 AM – Arrival & Check In

11:30 AM - 12:00 PM – Lunch & Presentation

12:00 PM - 1:00PM – Tour

Location:

130 Derry Ct, York, PA 17406

Cost:

\$10 for members, \$15 for guests

Lunch:

Qdoba boxed lunch.

RSVP by Thursday, April 14th using the following link - [REGISTER HERE](#)

Society News
